

Build001: Plasmid construction for DE of GFP

MONDAY, 5/3/2021

Background and Goal

To build constructs for carrying out directed evolution on GFP.

List of final constructs

Table1				^
	A	B	C	
1	Construct ID	Construct name	Description	
2				
3				

Experiment details

Maia Nike:

I did some cloning.

TUESDAY, 5/4/2021

Bronislav Mot and Maia Nike:

We did some more cloning.

WEDNESDAY, 5/5/2021

Ida Lilianna:

I continued the cloning experiment from Bronislav Mot and Maia Nike.

I did some experiment.

I sent the plasmids for sequencing.

THURSDAY, 5/6/2021

Maia Nike

I checked the returned sequencing results and confirmed all plasmid sequences are correct.

Build001 is completed and closed.
